**To:** Bertram, Gary, Smith, Mark A  
**Cc:** Werner, Leslye, Weber, Rebecca, Smith, John  
**Subject:** RE: Bridgeton Landfill

You may want to check with John Smith to see if this is information that may be addressed in the Monday afternoon call with MDNR and MDHSS. They had decided to discuss air monitoring at that call rather than reschedule a separate meeting with MDNR. What you just posted on the H<sup>2</sup>O may be unrelated as Stephanie Doolan and Michael Jay were leading that effort, from my understanding

This Email message contained an attachment named  
image001.jpg  
which may be a computer program. This attached computer program could  
contain a computer virus which could cause harm to EPA's computers,  
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
